If you are a PATIENT:

To attend a Telehealth appointment, you will require access to the internet through a device such as a computer, tablet, or smartphone that has a camera and a supported browser.

Important Browser Information:

- Internet Explorer is **not** supported.
- Chrome version 21+, Firefox version 22+ and Microsoft Edge version 12+ are the only supported browsers.
- Be sure to test your device by clicking the link below under item 1 before your appointment.

1. Before the date of your appointment:

- Click [here](#) to test your device to ensure it functions properly.
- If your device is not suitable, please contact [Dawn Poste](#) at 7097526071 to make alternate arrangements.

2. When it is time for your appointment:

- Select a private location with secure internet access.
- Start your Telehealth session by clicking this link: [Join In](#)
